ORIGINS PILLOW TOP COLLECTION

The Hypnos OriginsTM Story

Each Hypnos bed is individually handmade by master craftsman and customised to personal tastes and needs. Proud holders of a Royal Warrant, Hypnos' unrivalled 'best of British' quality is reinforced by a 10-year guarantee and a reputation for making the most comfortable beds in the world.

SPECIFICATION

- The Saunderton mattress artfully combines luxurious layers of responsibly sourced cotton and soft SolotexTM, together with AdaptivTM springs to sense and flex to your shape.
- Generous layers of soft cotton help keep sleepers cool at night. By responsibly sourcing[†] its cotton, Hypnos are supporting continuing improvements for the environment cotton grows in and the farming communities who produce it.
- Contains a whole fleece, or 3kg, of pure wool (per 150cm mattress), that is 100% British and traceable to Red Tractor assured farms.
- This no-turn mattress features ReActiveProTM 6-turn pocket spring system with Triple Edge ProtectionTM featuring higher tension edge springs, framed support and two rows of genuine hand side stitching for a hand-tailored finish.
- Woven from responsibly sourced, unbleached cotton, this breathable soft sleep surface, is naturally safe and fire resistant without the use of traditional FR chemicals.

DESIGN OPTIONS

- We recommend pairing this mattress with a firm edge, sprung divan base for optimum comfort. Select a traditional deep or modern shallow divan style with a choice of feet.
- Choose a Hypnos headboard to crown the bed, upholstered in a range of fabrics to match the divan base and your interior, creating a stunning bedroom centrepiece.
